FLYING SAFARI

KENYA | Nairobi | Masai Mara | Samburu | Laikipia

9 DAYS ENDANGERED SPECIES FLYING SAFARI

An incredible & unique safari Experience

Experience the rare sights of endangered wild African animals whose existence is not only threatened but in many cases endangered, according to the IUCN Red List of Threatened Species. Kenya is a stronghold for the preservation of endangered species such as Grevy's Zebra, African Wild Dog, Lion, Cheetah, African Elephant, Crowned Cranes and Black Rhino. Hear from experts in the field about actions being taken to protect these magnificent species, coupled with the exciting and stunning scenery of magical Kenya from the air. Your **Endangered Species Flying Safari**, aboard a luxury Cessna Caravan, is without doubt, truly a trip of a lifetime!

Travel Host

Shirli Jade Carswell – Author of 'Africa's Ultimate Safaris', as well as a professional wildlife photographer and conservationist, will accompany you throughout the safari, enhancing your experience through her narrative and passion for Africa. A personalised, photo memory book will be designed and produced by Shirli for each guest after the safari. A special souvenir, to cherish for your Ultimate Safari.

Safari Highlights

- Learn from world-renowned specialist conservationists, leaders in the field of their particular species
- Scenic flight over the world famous Masai Mara, National Game Reserve
- Full day in the Masai Mara Game Reserve with experts from the Mara-Meru Cheetah project & the Light for Life, Lion preservation project focusing on both Lion & Cheetah
- Kenyan Professional Masai Safari guide whilst in the Masai Mara
